Aug	28	Sun	12:00	R Turner	
Sep	11	Sun	12:00	E Altenburger	Club Championships
Sep	25	Sun	12:00	D Smith	Subject to confirmation

The club offers shooting at advantageously low costs because members take on all the necessary work, particularly the many regular activities on shoot days. All members are expected to **EITHER** – arrive early, at 11:30 or even earlier, and help with the set up – **OR** – stay at the end of shooting to help with the packing away. Arriving too late to help with set up; taking part in the shooting, and then departing early without helping the clear up is **NOT** regarded as acceptable behaviour.

The calendar above includes a list of SHOOT OFFICERS who are kindly requested to accept responsibility for the organisation of the shoot on the allocated day. The shoot officer is **NOT** expected to do all the work but is expected to decide what will be available and get it set up by the attending members. If you are not available on the allocated day please arrange a stand-in. We will try to offer SKEET with SPORTING and DTL or ABT at each shoot with some novel variations during the season.

Please remember that entrance to the site should be via the north, Up Somborne, entrance.
